

## THE CHAMPIONS ARE NOW EVEN

Philadelphia Athletics Blanked the New York Team On Yesterday.

## THE FINAL SCORE WAS 3 TO 0

There Were Nearly Twenty-five Thousand Persons in Attendance.

(By Associated Press.)

NEW YORK, October 10.—When two well-trained base-ball teams are pitted against each other with the points covered by men of acknowledged cleverness, there is always a doubt as to the outcome until the game is completed. The truth of this was proven to-day, when in the second game of the world's championship series the Philadelphia champions of the National League defeated the Philadelphia Athletics of the American League on the Polo Grounds. The visitors put in their inning, and the home team, which had to handle him, against McGinnity and Bresnahan. The visiting battery was excellently supported, as was the local one for two innings. But in the third inning, Gilbert made a costly error, which gave the visitors a lead which they never relinquished. McGinnity was relieved in the later part of the sixth inning, Stranek batting in his stead, and Ames going into the box. The change did not prove effective, however.

### Wild Throw Did It.

In the third inning Schreck sent a grounder to Gilbert, who threw wildly to first and the friends of the local team groaned when the batter was safe. Bender made a neat sacrifice. Hartzel tried to send the ball to the boundary, but was an easy out. Lord, the next up, was the right man in the pinch as he singled to center, scoring Schreck. David was thrown out by Dahlen and the inning ended in favor of the Philadelphia, who had tallied one run.

Monte Cross struck out at the beginning of the eighth inning, but Schreck singled to left. Browne made a beautiful relay, running catch of Bender's foul ball. Hartzel, then doubled to left, but the relay throw from Meres through Devlin to the plate was dropped by Bresnahan and Schreck scored. Then Lord singled, bringing Hartzel in with the final run of the game.

### No Game at Chicago.

CHICAGO, Ill., October 10.—Game between Chicago National and American League teams postponed to-day account wet grounds.

### WILLIAM AND MARY.

### Her Warriors to Meet Those of Richmond College at West End.

The William and Mary College gridiron warriors and the eleven from Richmond College will meet at Broad Street Park this afternoon at 3:30 o'clock. It will be the second foot-ball game of the season and there is great interest manifested among the friends of the students of Richmond College. A large delegation will come with the William and Mary boys and root for the victors.

Coach Dunlap of Richmond College has strengthened his eleven considerably since the game here with Randolph-Macon. The ends have been made strong and snappy, but no great gains by end plays of the opposing men.

## BANKERS GATHER IN WASHINGTON

(Continued from First Page.)

on the tenth floor of the New Willard, owing to the crowd around the desk all the time. Members are found by wandering through the lobby of the hotel and picking them out.

Two bankers, not from Virginia, spoke to-day of the remarkable strength of the Richmond banks, and the importance of that city as a banking center. The fact that the deposits in the banks of Richmond were something more than twenty-eight millions, and a few hundred thousand dollars more than the total deposits of the banks of the State of South Carolina, was commented upon.

### Chartered a Train.

The Illinois bankers arrived last night from Norfolk. They chartered a train to bring them from Chicago through to Norfolk, and came to Washington by way of a Potomac steamer. The beautiful gold badges of the Illinoisians attract much attention, and are in great demand as souvenirs.

It is said that the members of the association represents a total of over eleven millions of money. This looks like an exaggeration, but the man who said it claimed to know. If he was correct, the Russians and Japanese should by all means have representatives here with a view of making a touch. The members of the association are spending money freely. The States Legislature will be asked at their next session to put an amendment to their penal code. It is aimed especially at that set of criminals commonly known as yeggmen. It will be recommended by the American Bankers' Association, and prescribes a heavy penalty for using explosives in burglary. All legislatures will be urged to place the same amendment in their penal code, so as to have it a uniform law.

### Proposed Amendment.

The proposed amendment is as follows: "A person who, with intent to commit burglary, breaks and enters in the night-time a building in which there is a human being, and commits burglary by the use of nitro-glycerine, dynamite, gunpowder, or other high explosive is guilty

### REAL ESTATE SALES.

East End Property Sold.—The O'Ferrall House to-day.

Messrs. J. Thompson Brown and Company sold at public auction, yesterday afternoon, the two-story frame dwelling, No. 903 North Twenty-ninth Street, to Mr. W. L. Smith, for \$900 cash. Mr. Smith buys the property solely as an investment.

The same firm will sell at auction at 5 o'clock this afternoon the beautiful residence of the late Governor Charles T. O'Ferrall, No. 903 Park Avenue. In some respects this is one of the most unique and attractive residences in this city, having been lately remodeled by its late owner in a most lavish and attractive manner. The location is one of the most desirable in the heart of the city, and surrounded by the homes of some of Richmond's most substantial and well known citizens. The lot has the large frontage of 55 feet on Park Avenue, and is not far from the Howitzer monument park.

### DIES FROM POISON.

Bessie Smith Has Quarrel, Takes Tablets and Dies.

As a result of poison taken almost two weeks ago, Bessie Smith died Monday night at the late Dr. J. C. Sklar. She was found in a quarrel with a friend, the woman, only eighteen years of age, took eight antiseptic tablets. She was found in the bath room and a physician called. Until Monday night she lingered, and as a last resort she was taken to the hospital for treatment.

Almost her dying utterance was that she had a twin sister, who lived in Virginia, and who resembled her very much. She did not disclose her real name, nor would she give any information that would lead to the finding of her family.

### Richmond Lodge To-night.

The Richmond Lodge of Elks, No. 45, will hold an important meeting to-night. Several applicants will be received for initiation into the lodge. The Grand Lodge to Richmond in 1907 will be determined upon. A full attendance of members is desired.

## A BIG INCREASE IN FEWER CASES

Thirty-two New Ones Were Reported There On Yesterday.

## BRITISH VICE-CONSUL DEAD

Frederick Bonar McCombs—The Conditions in New Orleans.

(By Associated Press.)

PENSACOLA, Fla., October 10.—The fever summary to-night shows a big increase in the number of new cases, as follows:  
New cases, 32; total, 207; deaths, 8; total, 43; under treatment, 149; discharged, 113.

The large increase in the number of new cases was expected, owing to the very inclement weather and the previous spread of the disease to all sections of the city. The number to-day is much larger than any date since the outbreak of the fever. A large number of suspicious cases were reported.

One of the deaths to-day was the British vice-consul, Frederick Bonar, who was taken ill during the latter portion of last week. He had been here for five years, coming from Brest, France, where he was vice-consul. His family is prominent, his father being in the consular service in France, while his brother is consul-general in Japan.

At a meeting of the City Council to-day appropriations were made for the employment of more physicians to assist in stopping the rapid spread of the disease.

### New Orleans.

NEW ORLEANS, October 10.—The official record to 6 P. M. Tuesday was as follows:  
New cases, 18; total, 320; deaths, 4; total, 45; new feed, 9; under treatment, 181; discharged, 2,634.

Three of eighteen new cases are above Canal Street, but only one of them represents a new focus, that one being far up on Pryorita Street. There were only two admissions to the emergency hospital to-day, and one of them turned out to be tertian malaria; two patients were discharged, and there were no deaths there. All of the four deaths were down town, and two of them were Italians.

The family from Rosetta, Miss, who were admitted to the hospital of detention, are still in good health, and the average period for the development of infection has passed. They will remain there until Thursday.

Surgeon White went to Covington and Abita Springs to look into the situation there, and said that there is nothing alarming in it. Another case was reported from there by the health officer, who says he traced it directly to New Orleans.

For the first time in a week a new point of infection was reported from the State. Two cases were reported from New Iberia, which up to now has apparently been free from infection.

### Vicksburg.

VICKSBURG, Miss., October 10.—For the twenty-four hours ending at 6 P. M. to-day four new yellow fever cases were reported, the lowest number of any similar period for three weeks.

There were no deaths.  
After a trial extending over the greater part of four days, Dr. D. A. Quinn was to-day acquitted of the charge of having failed to report an alleged case of yellow fever.

An affidavit charging Dr. Joseph Waldauer, representative of the State Board of Health, with violation of the city quarantine regulations, was issued to-day. The charge is based on the removal by Dr. Waldauer of a yellow fever patient from Hamburg to Vicksburg.

### Natchez.

NATCHEZ, Miss., October 10.—Six cases of yellow fever were reported to-day. Five of the patients are negroes. The white patient is Fred Stanton, Jr., of Arlington Heights, a thickly populated residence section of the city on the east side of the city.

New cases, 6; new feed, 4; total cases to date, 158; total deaths, 7; cases under treatment, 31; cases discharged, 7.
